Shawnee Community College

Associate Degree Nursing Program
2027 Application Packet

The Associate Degree Nursing program at Shawnee Community College, located at the Main Campus in Ullin, IL is accredited by the:

Accreditation Commission for Education in Nursing (ACEN)
3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326
(404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the Associate Degree Nursing Program is Initial Accreditation.

View the public information disclosed by the ACEN regarding this program at
http://www.acenursing.com/accreditedprograms/programsearch.htm

Dear Prospective Student,

Thank you for your interest in the Associate Degree Nursing (ADN) Program at Shawnee Community College. The College has an Open-Door Admission Policy, however, there are some programs that have admission requirements. You will find the admission requirements for the ADN Program on the next page of this packet. **Please read through the information carefully.**

Admission into the ADN Program is based on the composite score of the required entrance test and points awarded for excelling in the designated prerequisite science classes. Additional points may also be received for completing a high school College and Career Pathway Endorsement (CCPE). This process is explained in detail within this packet. Please note that our ADN program requires prerequisite courses English Composition II, Microbiology 218 and Intro to Psychology 211. We also strongly recommend taking Human Biology, Medical Terminology, and Math for Healthcare Professionals prior to starting this program.

If after reviewing this material you have any questions regarding the program or the admission criteria, please call the Allied Health and Nursing Office at (618)634-3282.

Again, thank you for your interest in Shawnee Community College and best wishes in your educational endeavors.

Sincerely,

Dr Judith April Dollins DNP, RN

Dr. Judith A. Dollins, DNP, RN
Interim Director of Nursing

SHAWNEE COMMUNITY COLLEGE ASSOCIATE DEGREE NURSING (ADN) PROGRAM

Admission Requirements

The following procedures apply to all prospective students seeking admission to Shawnee Community College ADN program. Failure to comply with all of the deadline dates designated by the College will terminate the application for the program in which the applicant is seeking admission; & it will be the responsibility of the applicant to inform the Nursing Department if he/she wishes to be considered for admission to a future program.

A. **All application materials must be submitted to the Nursing Administrative Assistant by April 15th, 2027 to be considered for the 2027-2028 ADN Program.** The required application materials include: a completed ADN Application form (page 7 & 8 in this packet), degree audit, unofficial College Transcript, driver's license/ID & TEAS scores. Transfer/Not current students, complete the online Shawnee Community College application for admission to SCC.

B. Follow the procedure for taking the TEAS as listed in this packet. An overall TEAS Score of 60 or greater is required.

C. Students are rank-ordered for admission. **Preference is given to in-district applicants**. All other out-of-district applicants are rank-ordered at the bottom of the in-district list.

D. The following courses are required pre-requisite classes that must be completed with a grade of C or better before beginning the ADN program: **ENG 112 -** English Composition II**, BIO 218 -** Microbiology **and PSY 211 -** Introduction into Psychology. **BIO 221 & 222**,** Anatomy and Physiology I & II

   ****Please note: Anatomy and Physiology class must be completed in the last 7 years prior to admission.**

E. Recommended Classes include BIO 115 - Human Biology, MAT 122 - Math for Healthcare Professionals & HIT 100 - Medical Terminology

F. A cumulative GPA of 2.5 or higher is required for admission to the ADN program.

G. Students accepted into the program must submit a completed Shawnee Community College Physical Form that demonstrates physical capabilities to perform all clinical work expected of a student nurse. Do not submit documentation until after acceptance and the informational meetings. The form will be provided at the informational meetings.)

H. Students must submit to a criminal background check and drug test **after** being accepted into the program at student expense. Instructions for completing these tasks will be provided at the information meetings. Do not complete before the informational meeting. Please note, a felony conviction may adversely affect the ability to sit for the NCLEX-RN exam and/or attain licensure.

I. Students must provide proof of personal health insurance or a medical card, physical exam, & proof of immunizations* or titers (Do not submit documentation until after acceptance and the informational meetings. More information, including checklist/forms, will be provided at the informational meetings.) *see Covid-19 Vaccination information below

J. Applicants who are not admitted or fail to comply with required deadlines will not be carried over for the next year. If interested in applying for next year's program, a new application must be submitted.

K. American Heart Association BLS Healthcare Provider is required to be completed by the start of the program (August 1, 2027). The student is responsible for the additional cost of the course, required textbook, and card.

If you have questions regarding this process, please contact the Allied Health and Nursing Department at (618) 634-3282. The toll- free number is (800) 481-2242, ext. 3282.

*COVID-19 Vaccination Requirements for Associate Degree Nursing

Some of our clinical partners have strict COVID-19 vaccination mandates in place *without accepting exemptions*, as those facilities prioritize the health and safety of colleagues, patients, infants, children, those unable to receive vaccination, and other vulnerable populations. We will make a sincere effort to place you at sites according to your current vaccination status, however, we are unable to guarantee your clinical placement, therefore we recommend you provide proof of vaccination or exemption after being accepted into the program.

FACT SHEET FOR POTENTIAL ASSOCIATE DEGREE NURSING STUDENTS

1. Selection of the class will be completed and letters of notification will be mailed by May 1, 2026. Potential students will receive a letter indicating their acceptance into the program or not. Any individual not receiving a letter by May 14th, 2027 should contact the Nursing Department Administrative Assistant.

2. The length of the full-time program (excluding pre-requisite courses) is 12 months from start to finish. Program begins in the Fall 2027 Semester.

3. Students are expected to provide their own transportation to and from the campus and to and from your assigned clinic site. The clinic sites currently in use are located in Anna, IL, Marion, IL, Metropolis, IL, Paducah, KY, Herrin, IL, Carbondale, IL, and Cape Girardeau, MO and surrounding areas. A student may not stay at the same clinical site throughout the program, as it is valuable for students to have varied experiences in this program.

4. **Potential ADN Students should not purchase anything until after they have attended the nursing informational meetings!**

5. **Informational meetings** will be at the SCC main campus in the nursing department (Lower L building). Prospective students must attend one of the meetings. The informational meetings can be attended on either **May 5th, 2027 at 3:00pm or May 6th, 2027 at 9:00am.**

6. **ADN Orientation** for students who have been accepted into the program and who have provided all of their required documentation will be in room L1019 at the SCC main campus on **July 22nd, 2027 at 8:00am. Attendance at orientation is Mandatory** to begin the ADN program. No alternative dates will be offered.

7. The approximate* cost for the ADN program, including prerequisite courses is $12,500 - $13,000 This cost includes tuition, fees, textbooks, uniforms, & equipment.
   Licensure application fee ***not included in above estimate*** (upon completion): $500 NCLEX-PN
   *costs subject to change and are approximate based on tuition rate, textbook fees, etc. as of 9/25/26.

The Associate Degree Nursing program has been chosen as a targeted program for the Perkins Grant. This Federal Vocational Grant supplies supplemental services such as tutoring, adaptive equipment, supplies, etc. for students who would qualify as academically challenged, physically handicapped, economically disadvantaged, LEP (Limited English Proficient), and non-traditional (male) students in this targeted program. Information on this program will be provided during orientation.

Shawnee Community College is an equal opportunity affirmative action institution. Admission, financial aid, student employment, curriculum requirements, extra-curricular participation, counseling, placement services, and athletic programs shall be available to all students without regard to race, sex, age, national origin, or disability. Contact the College's Title IX and Section 504 Coordinator if you have a question or concern.

Upon successful completion of the program students are required to pass the NCLEX-RN exam for employment in the field of study.

Nursing Program Entrance Test Procedure

The test given for entry into the Shawnee Community College Nursing program is the Test of Essential Academic Skills (TEAS) from the Assessment Technologies Institute, LLC (ATI). **Applicants wishing to prepare for the test can purchase the most recent TEAS Study Manual or access to online practice tests. A combination package of the study manual and online access is also available. Please note that these products are optional. If you are interested in purchasing any of the items go to www.atitesting.com and click on Online Store for more information.**

1. Each applicant may take the entrance test twice between October 1st, 2026 and April 15th, 2027. Any additional tests beyond the first two may not be counted. The highest composite score of the two tests will be accepted. A minimum of two weeks between the tests are required. A **TEAS score of 60 or greater is required.**

2. The cost of the test is $75.00 each time it is taken and can be paid the day of the test.

3. The applicant should schedule the entrance test through the Shawnee College Testing Center. Please go to https://shawneecc.edu/student-success-center/testing-center/teas/ to schedule your TEAS exam. On the Testing Center page, you will see an "appointments" button. Click that to schedule your exam. If you are unable to schedule through that link, please email **testing@shawneecc.edu**. The test is administered via the computers in the Testing Center. All efforts will be made to accommodate the student in regard to scheduling, however due to the high usage of the testing center it is recommended that individuals schedule a testing time well in advance. **You must have your receipt for payment and photo ID in order to take the exam (No exceptions).** Payment is to be made at the Bursar's Office and a receipt for payment will be given to the payee.

4. Upon taking the test the applicant will be given a photocopy of the test results. The original copy of the test results will stay with the testing coordinator. **Please bring your test scores to the Department Administrative Assistant to be copied and placed in your application file.**

5. Test scores are good for two years. However, a student must complete a new application form for each year and submit it by the required deadline.

6. The applicant must pay the fee for testing before or on the day of testing.

7. The test scores should be submitted to the Nursing Department Administrative Assistant once completed. The **last date for test scores and applications to be accepted** for the 2027/2028 ADN Program is **April 15th, 2027.**
